

Parking at Studio88

Spaces outside the front doors of the studio

Spaces here are limited. These specs are held first for **production vehicles**. Those carrying the most kit. If there is a space available please park as far up as possible and as close to the wall on the left as possible. Making sure to allow vehicles can pass yours.

Customer parking

There is a car park on the roof of the building opposite studio88. It is accessed from **Kitchener Road HP112SH**. It is first come first serve. If there is a space feel free to use it. There is no fee to park here.
